

LR32-02-00

Technical specification

Max. working pressure: 315bar

Max. flow rate: See pressure drop-flow curve

Pressure range: 1~250bar

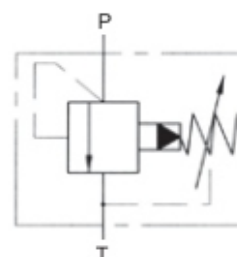

Internal leakage: $\leq 30\text{ml/min}$

Operating temperature: $-30\sim+110^{\circ}\text{C}$

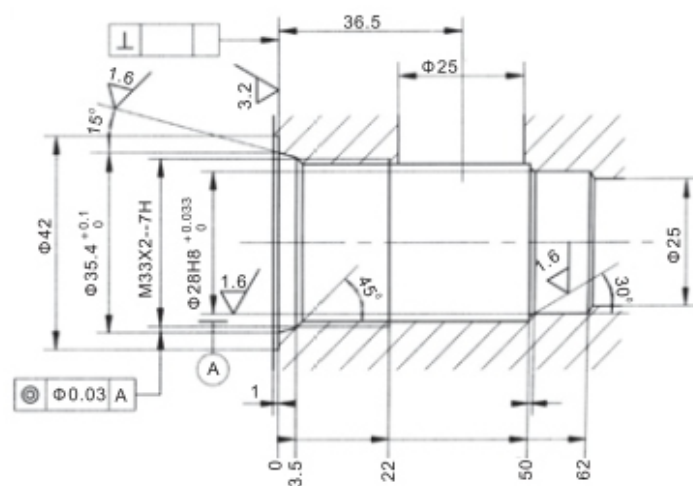

Oil clearness: 25u m or better

Standard setting pressure: 160bar
